Dear Roy, Keith, Randy, Kathleen, Jorge, Joseph and Leila,

Thank you so much for coming out and volunteering today! We accomplished a lot: clearing vines from the trees along the fence, pruning bushes and trees, and restocking the north end of the parkway with fresh daffodil bulbs that will look great come spring! Those of us who have been here over the years know how much folks appreciate that showing of colorful flowers in Spring all over Winnslie Parkway.

We were lucky to have perfect fall weather, partly sunny, mid-50s, calm, and dry. Roy treated us once again this time with apple cider, cranberry juice, donuts, and Halloween candies. Thanks Roy! Keith donated the tulip and daffodil bulbs again this year as he has for many years in the past as well as many of the other flowers on the parkway.

Our team included six of our regular volunteers-- myself, Roy Wesley, Keith Clauson, Kathleen Hawley, Randy Neufeld and Jorge Benitez; and two new volunteers — Joseph Frankl and Leila Braun who are new residents in our community.

Thank you all for giving your time, energy, and good humor today. The Parkway is a pleasure to behold because of your efforts.

With appreciation,

**Mark Weber, President**
