Chip the Parkway Event is ON! (See poster below for details)

Hi everyone,

Great news—the volunteer event for tomorrow's Chip the Parkway is officially still on! Since the weather is forecast to be sunny for the entire morning, we won't need to use our scheduled rain date.

The temperature is expected to be in the 40s, so please make sure to dress appropriately for the weather.

Also, a quick update on the materials: Schanmier Landscape has already delivered the wood chips. They did a fantastic job expertly clearing the truck over the bike path curb to the parkway while keeping the path itself completely clear.

See those of you that can make it tomorrow morning!

Warm regards,

Mark Weber, Tim Gillengerten & Roy Wesley

Board of Friends of Winnslie Parkway
