Hi everyone,

Thank you to all who joined us for Saturday's Walk the Trail—it was a great sunny day and a great turnout (15 attendees) with lots of thoughtful questions and strong interest in the Winnslie Parkway Expansion.

We're especially grateful to David Bier and Larry Asimow for taking the time out of their busy schedules to share their insights on the design and construction. It's exciting to see the transformation underway, including how we have converted 11,000 square feet of asphalt into what will become a new green space with a 1000 foot long landscaped walking path.
